Descriptions :

Multi Silver is a comprehensive well-balanced multivitamin and multimineral preparation scientifically adjusted and designed to serve as the complete nutritional program for the elderly people. This preparation maintains a healthy body and active lifestyle and keeps proper nutrition covered for elderly people.

Indications :

Multi Silver is indicated for the prevention and treatment of vitamin & mineral deficiencies of the elderly people. As a complete daily nutritional supplement, Multi Silver is also indicated to meet the increased demands for vitamins and minerals in the conditions like- physical & emotional stress, chronic diseases, Alzheimer's disease, age-related vision disorders, infection illness, osteoporosis, injuries or wounds, surgery, poor digestion, poor appetite, exposure to air/water pollution, exposure to radiation, etc.

Dosage & Administration :

One tablet daily or as recommended by the physician.

Side Effects :

Generally well tolerated.

Precautions :

Folic acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematological remission can occur while neurological manifestations remain progressive.

Contraindications :

Multi Silver is contraindicated in patients with a known hypersensitivity to any of the ingredients.

Use in Pregnancy & Lactation :

Consultation with the physician is recommended before use of Multi Silver in pregnancy and lactation.

Commercial Packaging :

Each air tight plastic bottle contains 30 multivitamin and multimineral tablets.
