AUDITORS' REPORT

on

Utilization of IPO Proceeds

Qualified Opinion

We have audited the annexed Statement of Initial Public Offering (IPO) Proceeds Utilization of **Silva Pharmaceuticals Limited** for the month ended 30th April 2026 as per required by Bangladesh Securities and Exchange Commission (BSEC) under Section 2CC of the Securities and Exchange Ordinance, 1969.

In our Opinion, except for the effects of the matters described in the Basis for Qualified Opinion section in our report, the Statement of Initial Public Offering (IPO) Proceeds Utilization, prepared in accordance with Bangladesh Securities and Exchange Commission Rules 2020 and Condition laid down in clause 2, 3, 5 & 6 of PART- C of consent letter # BSEC/CI/IPO-269/2017/429, Dated 28 June, 2018 and other applicable laws and regulations, gives a true and fair view of the statement for the month ended 30th April 2026.

Basis for Qualified Opinion

1. The Company transferred IPO proceeds from the BSEC-approved dedicated bank account to a non-designated account, which is a non-compliance with the clause 6 of BSEC consent letter# BSEC/CI/IPO-269/2017/429, Dated 28 June, 2018. Furthermore, our audit revealed that these IPO funds were commingled with non-IPO funds, causing a mismatch between the bank statement's closing balance and the actual un-utilized IPO fund, which is supported by the reconciliation attached as Annexure B.
2. As per the condition of the clause 3 of BSEC consent letter# BSEC/CI/IPO-269/2017/429, Dated 28 June, 2018, the company is required to submit the monthly IPO proceeds utilization report to the Commission within the 15th day of the subsequent month. However, the company failed to submit the report within this stipulated time.

As per TOR, we draw attention to the following matter:

1. During the period under audit, no expenses were incurred in respect of Civil Construction. However, the company has utilized an accumulative amount of Tk. 60,532,650 up to 30th April 2026 which was 104.26% of the amount specified in the prospectus and thereafter revised utilization plan for the purpose of Civil Construction. As such, approval was a pre-requisite from the respected shareholders and concerned regulatory authority for the excess utilized amount of Tk. 2,474,124.
2. Based on the resolution of the 9th Extraordinary General Meeting (EGM) dated 30 December 2025, the company reallocated the unutilized IPO principal amounting to Tk. 28,182,638.00 from the head 'Machinery and Equipment' to 'Working Capital Requirement'. However, the timeline for such reallocation was not specified in the respective EGM resolution. The company had already utilized a cumulative amount of Tk. 94,317,362, representing 100% of the allocated fund up to 30th April 2026, for the purchase of Machinery and Equipment. The remaining amount of Tk. 28,182,638 has been transferred to the head 'Working Capital Requirement' as per the decision of 9th EGM.
3. The Company has utilized Tk. 99,000,000 which was 100% of the budgeted amount up to 30th April 2026, for the purpose of repayment of bank borrowings as specified in the prospectus.

4. The Company has utilized Tk. 20,441,474 which was 100% of the budgeted amount up to 30th April 2026 for the purpose of IPO expenses as specified in the prospectus and thereafter revised utilization plan.
5. The company has utilized Tk. 8,650,467 which is 51.69% of the total un-utilized amount up to 30th April 2026 for the purpose of 'Working Capital Requirement' as per the decision of 9th EGM dated 30 December 2025.
